Coach's Corner – A living Hope – Happy Easter!

As we enter this holy Easter weekend, I pray you will be filled with a great sense of hope as we reflect on what Jesus accomplished through his death and resurrection. In 1 Peter 1:3 we read, "Praise be to the God and Father of our Lord Jesus Christ! In

His great mercy He has given us new birth into a living hope through the resurrection of Jesus Christ from the dead." *A living hope*, powerful words, what does that mean for us today?

In the Bible, hope is not merely a "wish", it is the confident expectation of what God promised. Sometimes it can be hard to feel confident in God's promises. It can be hard to look around in current circumstances and think, "God is good!" But God does not promise Christians a life free from pain or challenges. What He does promise is His presence, mercy and grace, that He will never leave us or forsake us. That in the midst of suffering, uncertainty, anxiety or despair, we can have living hope that God will walk with us through the darkness.

Difficult times can be like going into a cave or a tunnel. Without hope, it can feel like we are walking through dark times with no exit in sight. It's dark, confusing, and like a cave, the exit is hidden from us. But when we have Jesus, we can understand difficult times as a tunnel that we can face and walk through. There is hope and light at the end. We will and can get through it.

If you feel like you're in that cave with no exit, look to Jesus to see the light at the end of the tunnel. We can have living hope that God's promises are true. We can experience His love and redemption no matter the circumstances.

This weekend, I encourage us to slow down, unplug, and look to Jesus to find our living hope. I pray for our community's safety and encourage you to celebrate this Easter with family members that are living in your house.

Blessings and Happy Easter!

Blessings,

Mr. Martin

Badminton Time! The Grade 6's developing and performing their Badminton skills.

3

The Grade 6's meet in the morning for a time of advisory with one another. Together we build curiosity, set goals, and establish ways to encourage one another (and much more!). It is a wonderful way to connect and grow together in meaningful ways.
