## Coach's Corner - Merry Christmas!

What a show! I am so proud of our MCS students for their hard work and dedication to the Christmas performance. They were great! Thank you to Ms. Kroezen for her hard work and dedication. That night would not be possible without her.

Thank you to everyone in our community. Partnering with you on this journey of Christian education in Milton has been a blessing in my life. Looking forward to what is next for MCS.

Merry Christmas!

At Zebra Robotics, we are proud of all of our robotics teams, but we are especially delighted when a team first reaps the rewards of their collaboration and determination. Milton Christian School (MCS)'s Republic of MCS is just such a team. Republic of MCS is advancing to provincial competition in First Lego League (FLL) after their first-ever win at regional competition on December 9, 2023.....
