Coach's Corner - Christmas already?

Good afternoon friends and families of MCS,

I can't believe we are closing in on Christmas already. This school year seems to be flying by! As we prepare for the final two weeks of school before the break, I want to thank our wonderful teachers and families for all their hard work. This time of year is always a busy one. Projects and units are finishing up, the final touches on our Christmas performance are being completed, all while managing the excitement of the students.

I pray for our entire community during this busy lead up to the Christmas break. May you find some time to rest in the coming days.

Blessings,
Mr. Martin
