Coach's Corner – Family

Family Day is this coming Monday! For so many of us, the last two years have offered little opportunity to gather with our extended families. For some, families have been separated by international travel restrictions. As we have the end of the pandemic in our sights, it is exciting to look forward to these family gatherings again.

For me, Family Day is a time where I put all work away and focus solely on my wife and children. It is a chance to do the activities with family that I don't always have time for. It is always a good day together.

However you are choosing to celebrate Family Day this weekend, I wish you a wonderful and safe holiday.

Blessings,

Mr. Martín

- February 21 Family Day (No School)
- February 23 Pajama Day
- March 7-18 **March Break** (Two weeks)

2

Every morning our Grade 8 class asks a trivia question to the entire school. This week our Kindergarten class, Grade 3 and Grade 5 class tied. Each class sent a representative to decide our class champion for the week. Kindergarten emerged victorious!
