Coach's Corner – Diversity in God's creation

Hello friends and families of MCS,

As Black History month continues throughout the month of February, MCS students and staff have enjoyed learning about and celebrating the rich gift of diversity in God's creation. Amplifying the voices and experiences of Black Canadians and Americans through storytelling has continued to build connections and foster a greater sense of community.

1 When I think of God's vision for His Kingdom, Christians play a critical role to ensure that every person is seen and valued as the precious image of God. Our God is a God who values diversity and the evidence of this is all around us. Creation, including humanity, is abundant in diversity. Our world, our community and our school is stronger because of it. Differences and diversity, when acknowledged and appreciated, lead to richer equity, learning experiences, friendships, and communities.

Let's continue to build up children who see and appreciate the unique image of God reflected in themselves and each other!

Blessings,

Mr. Martin
