Coach's Corner – Skating Day is always a treat!

Good afternoon friends and families of MCS,

What a great day of skating! It was fun being on the ice with the students and seeing all their smiling faces. Skating day is always a treat!

PS - Re-enrollment forms and bursary applications are due on March 1.

Have a great weekend!

MCS *Community* CONNECTOR

We are still looking for class sponsors for our next fun event!

Our first ever **Skip-a-Thon** event is set for next Thursday February 29th and we are excited to partner with YOUR business to help us make this event a success.

February is Heart Month! Our Community Events and Fundraising teams wanted to try something new to promote healthy activity *and* give students a fresh challenge! Each of our ten classrooms will be partnered with a community sponsor for their 30 minutes of staying active and skipping. Together as a school, we will be staying active for 5 hours!

We hope you will consider supporting our event in one of the following ways. Your generosity is a great opportunity to showcase your business and community involvement, while showing students that their healthy choices can make a difference!

Become an event sponsor!!

- \$100 *Feel Great* sponsor: Sponsor the healthy snack station for our student athletes.
- \$200 *Max Energy* sponsor: Sponsor a class! Partner with one of our classrooms and sponsor their 30 minutes of skipping towards our school goal!

This NEW fundraiser will be a fun event that brings our community together and will provide funds to invest in our student curriculum and learning activities.

Thank you for reading the Connector!
