## *Coach's Corner*– SNOW DAY!

Good afternoon friends and families of MCS,

Our first snow day of the year! I remember how exciting it was as a child waking up to my parents telling me that I could stay home because school was cancelled. My brothers and I would grab sleds and head out to the large hill in our backyard. We'd also spend most of the day playing hockey on our pond. Days

like these can be special where you build memories with your families. How are you spending your snow day?

1 Enjoy the day and stay safe!

Blessings,
