## *Coach's Corner* – It is wonderful to be with our students!

Good afternoon friends and families of MCS,

We have had a great first two days back at the school. It is wonderful to be with our students! It is Kindergarten registration time at MCS. If you know of someone looking at Kindergarten options for their child, please let them know that MCS is having our annual Kindergarten information night on **January 27th, at 8pm.**

Please share the link below with them so they can register for this virtual event. [www.miltonchristianschool.com/kindergarten](http://www.miltonchristianschool.com/kindergarten)

Blessings,

Mr. Martin
