## *Coach's Corner – Thank you to teachers and parents!*

Good afternoon friends and families of MCS,

As we finish off week four of online learning, thank you to our teachers and parents for continuing to invest in the academic growth of our students! It's not easy to balance all the demands of work and home, but every day we are one day closer to being back in the building again.

I'm sure many of you are aware, COVID-19 case numbers have been on a steady decline the last week. This is great news as we eagerly await a decision from the Ontario government on the date children in the Halton region can return to in-person learning.

For those of you listening to chapel at home, many of our speakers have been speaking to our theme verse for the year from Galatians:

1

### **Galatians 6:9**

*Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up.*

We have come a very long way since March 2020. Let's continue to work together for our children and never give up!

If you would like to join me for a time of prayer and conversation tomorrow at 1:30pm, please [click here](#).

### **Note:**

The government is offering financial support during this time of online learning. Please check out the link below for more information.

## *Morning blooms*

4

Laughter bursting through the doors-  
A full dose of energy  
Ready for the day  
Ready for anything  
Ready for everything-  
To learn, laugh, play  
Hi- five, kick balls,  
Clap, dance  
And even cry!  
Morning blooms-  
Children make schools bloom!
