Coach's Corner – It was a busy but fun year!

Good afternoon friends and families of MCS,

We are nearly there! One more week to go but it will be a busy one. Report cards, end of year celebrations and of course, graduation.

As we approach this final week of school, I want to thank all of our families and staff for another great year. Our first full normal school year since the 2018-2019 school year. It was a busy but fun year!

1

Blessings,
Mr. Martin

MCS CLASS OF 2023

I am so thankful for my 3 years at MCS. There are many reasons why I am thankful and grateful for my time here. During my time at MCS I have grown my confidence and learned how to stand up for what is important to me. I have become more connected to God and have learned more about the bible. I am thankful for the opportunity to grow my artistic skills by creating choreography for the Christmas play and Glee Club. I am thankful for my forever friends that I made at MCS, although I am sad that they have moved away. I am going to miss doing chapel songs on Friday in the classroom. I am also going to miss Mr. Danielson who has taught me so much and I am going to miss all of my teachers who have helped me grow and learn over the past three years. I am also going to miss the random conversations that we have in the middle of class with Mr. Bierling. Thank you to my MCS family! I look forward to making you proud as I take on new challenges in the next chapter of my life. **Grace**

3

There are many things I am thankful for. The thing I'm most thankful for is for my teachers who gave me the opportunity to learn the basics as I couldn't at my other school. My favorite memory of MCS (this year) has been making long lasting friendships with all the girls. Specific memories are when Neha slipped like 10 times this year, and Stephanie got stuck in a chair. It was also really fun to go on walks, going to the park, and getting ice cream. This year has been the most memorable, and for the rest of my life, when somebody asks me about Grade 8, I will have memories and photos, knowing this as my Grade 8 year. I will most definitely miss how small the school is, giving it a very homey comforting environment. After I have graduated from MCS, I will be going to St Francis Xavier High School. MCS has been a very good and new experience, and so far, I've liked it a lot. **Vanessa**

2023 Graduation is on June 22
