Coach's Corner - Let's hope it gets competitive!

Good afternoon friends and families of MCS,

Thank you to our wonderful fundraising committee for all their hard work on our auction this Saturday. Our school community is so grateful for the work you have done these last several months.

I hope to see you on Saturday evening as we watch a fun talent show and bid on items. Let's hope it gets competitive!

MCS CLASS OF 2023

3

MCS has brought me, **James**, many memories and things that I will miss after graduation. I remember when I was in an earlier grade my friends and I constantly played games on our computers, and we made many memories I could never forget. A funny memory of that crazy year was when we would eat the tiniest bit of our lunch and rush to our computers as soon as possible. Although this was a great memory for me, there have been many great ones aside from this that will never be forgotten. On a sad note, I am going to miss the friends and teachers that I'll be leaving behind when I begin my high school

journey at Bishop Reding. I'm thankful for all of the supportive and joyful teachers that I encountered along the way. These teachers have helped me grow as a person and will have prepared me well for high school. I will never forget the great memories I made at MCS.

There have been some great and funny memories in MCS, but my favourite one is when Mrs. Tompson took us out to the chapel to have Passover dinner, and she told us why they ate specific foods, and we just talked. One thing that I will for sure miss will be the people in this class because when we go to high school, I won't be as close to people as I was in MCS. I am really thankful that I always had a good laugh with my peers. After the great 3 years of MCS, I will be going to PCC (Philopateer Christian College). **Stephanie**

*I enjoyed many moments at MCS. The one moment that stuck out to me though, was track and field this year. I had so much fun with my friends and I broke the school record for the 400m race. I will miss my classmates and friends at this school. Out of all the schools that I have gone to, the nicest people are definitely here. I will never forget the students and teachers I met at MCS. I am really grateful that MCS brought me closer to Jesus. Now I know that he is with me as I now move forward into high school. **Ben***

More from the class of 2023 next week.... Stay tuned!
