## Coach's Corner – Popsicles in the Park!

Good afternoon friends and families of MCS,

Our Grade 8 class is enjoying a few days away on their graduation trip. After viewing photos from their first day at Camp Mini-Yo-We, they are having a great time! It is hard to believe that in just two weeks, this wonderful group of students graduate.

We hope you can join us after school today from 3:30-5:45pm at Rotary Park for our Popsicles in the Park community event. We are excited to spend time with you! Thank you to Mrs. Kao and Mrs. Martin for planning the event.

## MCS CLASS OF 2022

Hello, I'm Ella and I'm in Grade 8. I have made many memories these four years I've been here, but my favorite memory at MCS was when our class had a nerf battle in the chapel right before the Christmas break. It was so much fun to make little forts and team up with other classmates and play with the teachers. When I leave MCS, I will miss seeing my friends every day and laughing uncontrollably at something that isn't even funny. I will be going to CK (Craig Kielburger), but I will always remember MCS and the memories I made. **Ella**

Something I will miss about MCS is how much we made each other laugh. Everybody in the class was kind to each other and made you feel good about yourself. A memory I have is when we had a campfire and made bread with our whole class. Another good memory I have is when we had a nerf battle before the Christmas break. **Nolan**

Hello, I'm **Vanessa**. I'm currently in Grade 8 and my favorite memory at MCS is the last day of school before the winter break in Grade 8. This was one of my favorite memories because we had a food buffet and a nerf battle. One of the things I'm going to miss most about MCS is my friends and the memories we have made as a class, and how we laugh at things at the most random times. The high school I'm going to next year is Gaetz Brook junior high school in Nova Scotia.

I'm **Lauren** and this year I will be graduating. I have been at MCS since JK in 2012. I have many memories at MCS, but I'd say one of my favourite memories is from Grade 3. In our classroom we had a bag of finger puppets, one of the puppets was a mouse. Every time we had free time, me and my best friend Tessa would play with the puppets. I decided to name the mouse, *Ze Franch Mousse*. I think this is my favourite memory because it was spent with my best friend. Next year I am going to HDCH (Hamilton District Christian High).
