## *Coach's Corner – They grow up so fast!*

Good afternoon friends and families of MCS,

This past Tuesday my family celebrated our son Jimmy's fifth birthday.

As I'm sure you all ask on your children's birthdays (maybe your own as well), where does time go?

For the past two weeks I was fortunate to fill in as the teacher for Mr. Miedema's Grade 8 class while he enjoyed time with his new baby. I really enjoyed my time back in the classroom and realized that the current Grade 8 class is the last group of students that I was a teacher for, before starting my role as principal. Back then, they were my rambunctious Grade 1 Phys. Ed. students! It's so rewarding to witness their growth both academically and spiritually. I must admit, discussing high school choices with them and what courses they are planning to take made me emotional (in my own way). As we launch into these final few months of the 2020-2021 school year, I'm looking forward to seeing what our amazing graduates accomplish as they get ready for Grade 9.

*Blessings,*

*Mr. Martin*
