## *Coach's Corner* - Small victories!

Good afternoon friends and families of MCS,

For the first time in two years, MCS is able to operate in-person after March Break! What an amazing feeling it was to not have to plan for online learning over the break and to know that we can serve your children in-person.

Another great feeling this week was that we were able to host our first in-person chapel service in two years. I did not expect to get emotional about the moment, but it was wonderful to see our students gathered again worshipping God. Chapel is such a large part of the MCS program, and it was a special day for the school.

1 What small victories have you had this past week as the province has reopened?

Blessings,

*Mr. Martin*
