Coach's Corner – A time of hope and new life!

Good afternoon friends and families of MCS,

As we enter into this holy time of Easter weekend, I'd like to wish your family a wonderful time of togetherness, and hope. Our students have been taking part in various Easter activities, crafts, and storytelling this week which has been wonderful to witness. With spring just around the corner, it's definitely a time of hope and new life.

I've been reflecting more on the concept of hope and why it is so powerful. When you think about the Resurrection Story, hope is found after the darkness and despair of Jesus' death on the cross. It's the juxtaposition from utter devastation on the Friday, to the hope and new life found on Sunday, that makes hope so powerful. To think that after everything seemed so lost, God had so much more in store for humanity.

My prayer is that the Easter story brings your family a renewed sense of hope, no matter what kind of fear or challenge you may be facing. May you be encouraged in the fact that we worship a hope-filled, life-giving God.

1 Peter 1:3: "Blessed be the God and Father of our Lord Jesus Christ! According to his great mercy, he has caused us to be born again to a living hope through the resurrection of Jesus Christ from the dead."

Blessings,

Martin
