Coach's Corner - A restful and fun break!

Good afternoon MCS families,

Thank you for going through the re-enrollment process with us at MCS! MCS continues to grow and we are excited about the future. As we lean into the future, your voice helps so much. Word of mouth continues to be the best strategy to recruit new families at MCS. Please share your experiences with families that might be interested in becoming part of

the MCS family.

One way you can do this is by sharing our KinderSteps program with families that have children entering Junior Kindergarten in September. You can find out more about the program by [clicking here](#).

As we finish off this last week of school before March break, I wish our community a restful and fun break. I am excited to be back in our building after March break for the first time in two years!

Blessings,

Mr. Martín
