Coach's Corner – A Milestone!

Good afternoon families of MCS,

We are coming up on the one-year milestone since our lives were turned upside with the first school building closure. I can remember the sense of uncertainty in that sudden pivot to online learning, something so unprecedented! Our community rallied together to make the best of a difficult situation. Despite the challenges all of us faced, God walked with us every step of the way.

Thank *you*, parents. This past year has had such an impact on you while our school building was closed. Thank you for your commitment to MCS. Our families' desire to see Christian education thrive in the town of Milton even during the pandemic has been so inspiring. We value you and thank you for all of the hard work this past year during the pandemic.

1

Thank you to our teachers. This past calendar year has been one of the most challenging experiences we have faced. Driven by a desire to see our students thrive, our teachers have risen to every challenge this pandemic has brought and have developed fantastic online learning curriculum to teach students in new ways. I encourage you to send a special note of thanks to your child(ren)'s teacher.

And we must acknowledge and thank our children. They have experienced such significant changes throughout the last year and it's important we acknowledge and appreciate their perseverance.

As we enter year two of the pandemic, brighter horizons await us, and we will get through whatever comes next.

Blessings,

Mr. Martin
