## *Coach's Corner* – We truly have a supportive community!

Good afternoon friends and families of MCS,

As I sit at home during my final day of isolation after contracting COVID-19 last week, I am so grateful for the team at MCS. Being able to support in a limited capacity at home has not been easy, but the group at MCS has done a wonderful job. From Mrs. KG's leadership of the staff this week, to Mrs. O holding down the front office with help from Mrs. Hanna and Mr. Bierling quickly learning how to run the technology for chapel, we truly have a supportive community!

Thank you to the staff and community for the many messages of wellbeing over this past week. I am feeling much better and ready to return tomorrow!

P.S. Final chance to buy tuition draw tickets for \$1000 off next year's tuition. [Click here.](#)

Blessings,

*Mr. Martin*
