Coach's Corner – Blessings and encouragement to all the parents!

*Reminder - [MCS Online Auction](#) closes this Sunday, please check it out and consider supporting through bidding or donations!**

Good afternoon families of MCS,

As many of you know, I have two boys at the school in Grade 1 and JK. While my wife and I are in Zoom meetings we often have interesting interruptions in front of our coworkers by accident. Just the other day, my wife was presenting to a team of people across Canada and my 5-year-old son burst in to ask for help in the washroom (in *much* more embarrassing terms). Does this sound familiar?

1 As a parent, I empathize with the challenges of “balancing” all the demands this pandemic has placed on you. Work, homelife, children’s needs, online schooling, caring for loved ones, working on the frontlines, and so much more are just some of the things our community is going through. I want to send a blessing of encouragement on you in our final few months of school. Our MCS staff know that online learning comes with challenges. Mental breaks and adjusted expectations are necessary to get through this. May you find moments that remind you that God sees you, knows you, and loves you.

We are nearly there MCS, there is light at the end of this tunnel.

If you have not done so already, please take a few minutes to fill in our most recent survey. Please [click here](#) to fill in the survey.

Blessings,

Mr. Martin
