Coach's Corner - Take action – let's fill the final 60 spots!

Good afternoon friends and families of MCS,

Have you got your tickets to A Night with the Stars yet? Join us June 3 at Milton Bible Church for a homemade lasagna dinner, silent auction, and special musical performances from our very own students!

Why is this event important? As a privately funded Christian school, we strive to keep tuition rates affordable for any family that wants to be part of our Christian school community. Fundraisers like this are an important way for us to come together, build our community spirit, and support the operations and financial health of our school.

Take action – let's fill the final 60 spots!

- [Purchase tickets](#) (\$50 each, \$360 for a table of 8-10)
- Can't come? [Make a donation directly](#) on the website AND [register as a bidder](#) for our ONLINE items, which open June 1.

P.S. Parents and family members of student performers can take advantage of a special discount code shared on the "Tickets" page. Student performers do NOT require a ticket to be purchased for them.

MCS CLASS OF 2023

*I have a lot of memories from MCS. One of my favourite memories is when me and my doubles partner came in second place in the Boys doubles badminton tournament. It was exciting because I was not expecting to make it into the finals! One thing I will miss from MCS is seeing my friends every day. I have been going to school with my friends for a long time and I have always known the people I have gone to school with. I am a little nervous but also excited to go to Toronto District Christian High. **Cole***

*I'm **Neha** and I have attended MCS for eight years. Over the last eight years I've been here, I have created many memorable memories. Some of my favourite memories have been sports tournaments, bible class with Mr. Danielson, field trips and more. Next year I will be attending Bishop Reding in Milton. After I graduate, I will miss the fun memories of our class dancing and singing to worship songs and all the other funny memories we've made. I'm thankful for all the amazing teachers I've had, the friends I've been able to make and all my years here at MCS.*

I am currently in my last year, at MCS. Graduation is only a month away, and I am excited but nervous about what is to come. I will miss a lot from this year, doing the morning announcements, the trips to the cemetery, my peers and teacher, and Bible classes with Mr. Danielson. I have many memories of this school, both bad and good. Like the time Mr. Bierling took us to Rotary Park and got us ice cream after a long dismal day or the time we played at Brampton Christian school for a tournament. I am thankful for many things and people that I met at MCS. I'm thankful for all my teachers and friends. My grade 8

*teacher Mr. Bierling, Grade 7 teacher Miss Magat, my French teacher Madame Luna, Music teacher Miss Kroezen, Grade 5 teacher Mrs. Gillam, and Bible, Mr. Danielson. All these adults have molded and helped me to reach my highest, and when I look back on MCS, I will think of my mentors and friends. As of now, I will be going to Saint Ketari Tekakwitha Catholic Secondary School for my high school. Though this is a huge step, I am excited and ready for what lies ahead. **Kiran***
