Coach's Corner – The home stretch

Good afternoon friends and families of MCS,

Every year after the Victoria Day long weekend, it feels like we have entered the home stretch of the school year. Final assignments are being completed, teachers are getting ready to write report cards, membership meetings and graduation ceremonies are being planned, graduation trip is coming and more!

As we all focus on finishing the final four weeks of the school year strong, I encourage you to email your child's teacher a word of encouragement. A nice email can go a long way during a busy season of life.

Blessings,
Mr. Martin
