## *Coach's Corner – Pushing through together!*

Good afternoon friends and families of MCS,

Christmas break and the new year are quickly approaching. We look forward to closing what has been a challenging year with the hope and renewal of the Christmas season.

1 MCS remains in a unique position with regards to COVID-19 as we are a small community of less than 100 families. We have pulled together in a remarkable way to follow guidelines and step forward in wisdom. Sacrifices and inconveniences have been well weathered so we can remain open and provide a safe place for our children to learn. Let's keep pushing through this together! I'm reminded of our theme verse for the school year:

*Galatians 6:9 And let us not grow weary of doing good, for in due season we will reap, if we do not give up.*

As we enter the Christmas month and the holiday season, I encourage us all to remain vigilant and keep social circles small. Consider limiting indoor gatherings with people outside your immediate household especially in the 5-7 days before we return to school. MCS is looking forward to a strong and healthy start to 2021!

Blessings,

Howie Martin
