Coach's Corner – “Stories at the Well”

Good afternoon friends and families of MCS,

As we head into December, it's been wonderful to see the projects and learning happening around MCS. From STEM learning starting in Kindergarten to our Grade 8 class projects on The Hobbit, it is amazing to see the learning happening around the school. As we approach Christmas, I was inspired to see our Grades 1 and 2 classes plan and execute a food drive at the school. Thank you for all the generous donations!

Additionally, Ms. Kroezen is hard at work leading our students through our Christmas musical. Our school is happy to bring you “**Stories at the Well**”. Unfortunately, we are not able to gather as a community to view the performance live. However, we are excited to build on what we started last year with our second pre-recorded virtual Christmas program on December 16th. More information will be given on how you can access the performance in December. Please let your child's teacher know if you are not comfortable with your son or daughter being recorded and placed on a link on our website. The link will only be accessible to those that have it and will only be available for about a week.

Don't forget to attend our Fall Membership Meeting on November 30th, at 7:30pm!

*Blessings,
Mr. Martin*
