## *Coach's Corner – Family activity to spread Christmas joy*

Hello friends and families of MCS,

For the last couple of years, we've enjoyed Christmas shoebox packing parties during this time. It was a wonderful experience to gather as a community to give back and model the spirit of generosity for our children. This year, in-person events are not possible, but we can still work together and bless others!

1

Next week, the Community Engagement Committee will send home materials for a special family activity, creating Christmas cards for seniors living at Allendale Long Term Care facility. Please look out for these packages early next week when we send them home with students. And instructions to join us for a virtual Christmas card workshop next Thursday evening will also be included in the package if you are able to join. We will share a couple fun pop-up card ideas you can try with your family.

Wishing you all a wonderful weekend,

Blessings,  
Mr. Martin

Walkathon Mohawk and pink hair promise!!
