Coach's Corner – Well done Soccer team!

Good afternoon friends and families of MCS,

Soccer season has ended at MCS and we had a lot of fun! Last week our Grade 7 and 8 team competed at Trafalgar Sports Park and yesterday our Grade 5 and 6 team competed at Kleinburg Christian Academy. I am so proud of our student athletes. Since the start of the school year, MCS students have been practicing multiple times per week. Your hard work and dedication was inspiring to see.

Special thank you to Mr. Joe Alava for his hard work and dedication to coaching both soccer teams. We look forward to next season!

Ultimate frisbee season (non-contact game) will be starting at MCS. Please reach out to me if you know any game and will be interested in coaching.

*Blessings,
Mr. Martin*

The **cross-country** team members have been working hard and progressing in their running skills over the past several weeks! The last practice will be on **October 21**. Due to Covid, there is no cross-country meet this year. However, we will be running a relay race at the fairgrounds before the walkathon on **October 27**. We are looking forward to being cheered on by the MCS students! We will also be **participating in a virtual cross-country meet** so that our runners can compete with other schools. They will be timed during one of our practices next week.

Notable announcements:

October 27 Walk-a-thon (Milton Fair Ground)
October 28 & 29 **PD days (No School)**
