Coach's Corner – Walk-a-thon!

Our walk-a-thon is less than a week away! This is always one of our favourite events of the year and the funds raised go directly to supporting the operations of the school. Programming like Zebra Robotics, field trips, curriculum and more are all supported by this fundraiser. Thank you for considering a donation to our annual walk-a-thon!

As a lifelong Penguins fan, I can't believe I've offered to get a blue maple leaf dyed and shaved in my hair if we hit our goal! Here's a recent conversation with my oldest son, Howie.

1

Me – Howie, you need to make some calls to raise money for our Walk-a-thon.

Howie - But I don't want to see you with a Maple Leaf on your head.

Me - I know buddy. It will be horrible.

Howie - You can't live in my house with that thing on your head.

Me - Yikes, where will I live?

Howie - You can live with Opa. He's a Maple Leaf fan.

*Blessings,
Mr. Martin*

The **cross-country** team members have been working hard and progressing in their running skills over the past several weeks! The last practice will be on **October 21**. Due to Covid, there is no cross-country meet this year. However, we will be running a relay race at the fairgrounds before the walkathon on **October 27**. We are looking forward to being cheered on

by the MCS students. Special thank you to **Mr. Doug Gillham** for coaching the cross -country team.
