Coach's Corner - It is good to be back!

Good afternoon friends and families of MCS,

As we near the end of week 2, it is exciting to see our students settle in, make new friends, and start learning new material. One of the things I miss most over the summer is all the smiling faces in the building. It is good to be back!

I hope you can join us next Thursday evening for our annual curriculum night. It is a wonderful opportunity for you to learn about your child's year ahead and get to know your child's teacher better. Looking forward to seeing you on the 21st.

Principal's summer project - Fixing the picnic tables!

Blessings,

Mr. Martin
