New playset is built and ready to go!

Good afternoon friends and families of MCS,

What a wonderful start to the school year! Students and teachers are now used to their routines and extra-curricular programming is well underway.

You may have noticed that our new playset is built and ready to go. Thank you to the many volunteers that helped build the structure as well as the people who donated money. Your generosity helped us cover the full cost of the playset. Thank you!

Blessings,
Mr. Martin
