## *Coach's Corner* – We can always count on God!

As we finish up week two of school, I hope your families are finding a rhythm in the new routines. Getting everyone out in the morning, school lunches, spelling tests, extracurriculars and so much more have brought a welcome sense of normalcy.

A certain verse that came up in a recent devotional has continued to stick in my mind. It's short, but so powerful, I hope it brings you some encouragement today: **"Jesus Christ is the same yesterday and today and forever."** (Hebrews 13:8)

I hang on to that reminder because it's easy to feel disoriented with the state of change and uncertainty we've lived through. The same God who was there with Daniel in the lion's den, with Ruth as a widow in a foreign land, with Moses, Mary, and so many other familiar Bible figures facing change and uncertainty - that same God is with us today, now and forever.

No matter the circumstances we face, the changes we have to navigate, we can always count on God. As our children continue to learn, grow, and change, what great and comforting news that God's love remains constant.

His goodness and truth never fail!

Blessings,  
*Mr. Martin*
