Coach's Corner – What brings you joy?

Good afternoon friends and families of MCS,

While I love being a principal, one of the things I miss about teaching is all the time I used to be able to spend with students! One of the things I do to take my mind off things for a time during the day is to go spend time with our Kindergarten students. Yesterday, I joined the class for a short visit during center time. I was pleasantly surprised how many students wanted to play with me. I learned about how to hide a tiger and build houses with

Lego. I'd love to hear what brings you joy while at work.

Blessings,
Mr. Martin

Volunteer Policy at MCS

All volunteers for sports, field trips or in school help will provide us with a recent police check. If it is still valid within the two years window, you will sign an offence declaration form. **From September 27, a proof of vaccination** should also be provided. Thank you.

Student Council first meeting

Academic Excellence and Godly Instruction

MCS *Community* CONNECTOR

NEW: Drop off and pick-up changes from Monday September 27th.

Pick up on Pine Street will now only include **Grades 6-8** students and siblings in younger grades. **Grades K-5** will be picked up and dropped off in our main parking lot. This change should help ease the congestion on Pine Street.

Thank you for reading the Connector!
