Coach's Corner – Back to school routines!

Good afternoon friends and families of MCS,

As I walk through the school this week, I feel a sense of calm around the school. Teachers are settling their routine with their new class, new students are being introduced to returning students, new units are being started across the school. This first week of school is usually pretty quiet. As an administrator, it is nice to see the planning over the last several months take form.

For many of us, schools reopening this week has been a long time coming. It is so nice to be with our students again! Over the past year and a half, I have seen this community come together for our students' success. As we enter this new school year, I encourage us all to continue to take steps to reduce the risks of spreading COVID-19.

Should you have any questions or concerns, don't hesitate to contact me.

Blessings,

Mr. Martin
